# WOMEN WAR ON

Axes, Scissors, Knives and Dogs Rout Stringers Who Invade Yards.

UP TREE TO CUT WIRE.

Athletic Brooklyn Matron Climbs to Undo Work of Telephone Man and "Shoos" Him.

More than a score of comely matron living in the block bounded by Putnam, Frankfin and Bedford avenues, Brooklyn, are waging a bitter war against the New York and New Jersey Telephone Company, and from present indications it looks as though the feminine side would win. Therefore it would not armed with large axes, knives, scissors, pincers and other weapons of defense, for they are only waiting for the bogy man, L e., the telephone man, or men The fair Tighters say they do not in

ch upon their rathts. For severa over houses and fences and through When the employees appeared last Monday the women of the neighborhood ordered them away, but they came again the next day.

#### They Cut the Wires.

takes to wink the telephone wires of the New Tork and New Jersey Company were lying about the vards and streets of the Second and New Jersey Company were lying about the vards and streets of the block.

Yesterday the linemen reappeared with a man who said he was a "superintendent," and attempted to put up the wires. One of the men strung a wire through a pear tree belonging to Mrs. Gertrude Doyle, at No. 129 Putnam are now one down, Mrs. Doyle who is little one siash of a hatchet the wire was on the ground.

"Now, you get down out of that tree, presty lively," said the angry young murron to the first tree.

The damen was post. The Harting a bid trip from Kingston, and according to reports, the Sultana went wrong for the first time Sultana went wrong for the drivent was serious, and that his restricted to the should have appeared in a more since he was big, dark shape suddenly suddenty and a clamor broke out on the deak of the wire was on the start occasion Mr. Harriman stood on deek and added his voice to the shouts that form the rational insurance-political colors and according to report, the Sultana went wrong for the first time success ago. While the entire ship was serious, and that his restricted boyle, at No. 129 Putnam are the injured were taken, it was stated the liner for the dry might have considered. The was stated the line dry might have considered to call where the injured were taken, it was attend to call where the injured were taken, it was attend to the construction of the surface of the morning that the construction of the surface of the morning that the construction of the surface of the morning that the construction of the surface of the morning that the construction of the surface of the morning that the construction of the surface of the morning that the construction of the surface of the morning that the construction of the surface of the morning that the construction of the surface of the morning that the construction of the surface of the morning that the construction of the surface of t

# WRECK BURIED HERE.

Simple Services Over Body of F. H. Cossitt, Late Son-in-Law of Justice Dugro.

The funeral of Frederick Henry Cossitt, one of the victims of the ralload disaster at Salisbury, England took place this morning from the restaround to the newspaper offices and dence of his aunt, Mrs. Augustus D. succeeded in getting some printed-over Julillard, at No. 18 West Fifty-seventh street.

The services were exceedingly simple, in accordance with the wishes of the young widow, daughter of Justice Dutteen years old, laid a paper before her to sen. It read: "We, Richard A Ryan and Clara Fink, from this day forth announce ourselves as man and wife, not believing in any legal paper or ceremony."

This services were exceedingly simple, in accordance with the wishes of the young widow, daughter of Justice Dutter, and were conducted by the Rev. William R. Montgomery, assistant to the Rev. Dr. Charles H. Parkhurst, of the Madison Square Problem H. Owen, jr., of St. Thomas's Protestant Episcopal Church. There was no europy.
